

20/20 Unhappy Patients Can Be Puzzling

Hyperosmolarity may be the missing piece.

ScoutPro Osmolarity System

Did you know that hyperosmolarity...

... creates **light scatter** equivalent to a grade 2-3 cataract?¹

... may result in **>1.0D refractive miss** in 1 out of 10 patients?²

... results in **7x the number of dissatisfied patients** following cataract surgery?²
